

18th January 2014

Dear member,

CAISA would like to take this opportunity to wish all its members a Prosperous 2014!

In a very short space, the membership in South Africa has grown to more than 70 members and we as South African members form part of a 33 000 member Association (CAI) with an International footprint on every continent.

CAI

CAI was founded in 1973 and has over 33 000 members. CAI provides community associations and the professionals who support them with information and education. Their mission is to inspire professionalism, effective leadership and responsible citizenship. CAI consists of 60 chapters in the USA and one international chapter, being South Africa. CAI also has relationships with Dubai, other Middle East Countries, Australia and Canada, the Far East and Europe.

CAISA

CAISA was founded in 2013, and is a registered NPC. The current Directors are Johan Kruger, Jeff Gilmour, Boet Grobler and AJ van Rensburg. Du Preez Accountants is responsible for the membership administration and finance. CAISA is the first and only CAI International Chapter. Membership is open for individuals such as Estate Managers, management and service providers. The main focus over the next year will be on training, especially training in the M100 course.

ARC

ARC proactively supports the members of Homeowners Associations (HOAs) and Bodies Corporate, as well as their Management teams in the achievement of their vision, which classically is to protect, maintain and enhance the value of the property as well as the lives and lifestyles of their residents.

ARC was founded in 2008 by Jeff Gilmour and today almost 90% of the bigger Estates are members of ARC. ARC membership consists of the HOA's, Bodies Corporate etc.
